DIBC Members,

In coordination with our government customer, the Defense Department's Manufacturing Capability Expansion and Investment Prioritization (MCEIP) office, DIBC will be hosting a virtual event on April 16, 2025 from 1:00-2:00pm ET to discuss Section 6(g) of the "Immediate Measures to Increase American Mineral Production" Executive Order (EO) issued on March 20, 2025, which requires the Assistant Secretary of Defense for Industrial Base Policy to convene buyers of minerals and work towards a request for bids to supply them. Attendees will hear from the Department on a pathway forward to implementing this section. An excerpt of this section, along with a link to the full EO is included below.

Any **U.S.-based** company that purchases minerals, mines minerals, or recycles minerals, as well as any members of the investment community that invests in the critical minerals space, is highly encouraged to attend.

If you would like to participate in this event, please [click here](#) to register. Please note that the Zoom registration email contains a calendar invite and your link to join the meeting. If you do not receive the email, please check your spam folder. For any questions or issues with registering please email: DIBCconsortium@ati.org.

We look forward to your participation in this event.

Section 6(g):

- Within 30 days of the date of this order, the Assistant Secretary of Defense for Industrial Base Policy shall convene buyers of minerals and work towards an announced request for bids to supply the minerals.
